It's back to school time again, and we are all busy juggling work, school and activities. We all want the best for our children and MECS PTO works hard to provide quality programs. Your membership and fundraising monies go toward various programs and activities throughout the year, including: Elementary & High School Open Houses, Elf's Closet, School Yearbooks, School Picture Day, Teacher Appreciation Week and End of Year School Luncheon, Community Appreciation Dessert, Honor Roll Receptions, Scholarships and more.

Please choose how you can support MECS PTO:

- For only \$5, your family will be PTO members for the year. You are welcome to attend any meetings or volunteer at any activities, but are not obligated to do any more than you are able to.

AND/OR

- Volunteer at any of our various activities throughout the year. We depend on volunteers and are always looking for anyone that can give 1 or 2 hours, part of a day, or provide baked goods. There is something for everyone!
